*"We moved into a new home and after 8 months could not get the windows as clean as we would have liked. We called Don at First Impressions Window Cleaning. He showed up as promised at the appointed time and immediately went to work. Every window in our house is now sparkling clean and perfect. I highly recommend."*

*I have been using First Impression for several years now and appreciate Don's professionalism and superb cleaning services. Today, Savannah came (as always, perfectly on time) and cleaned each window, mirror and glass shower enclosure meticulously. Savannah is pleasant and courteous besides a really hard worker. I continue to refer my friends to First Impression Window Cleaning. Thank you Don! Thank you Savannah!*
